## Self-Study (Online) Program Delivery

### ACKNOWLEDGEMENT

CFP Board is pleased to provide an update to the Ethics CE program. This would not have been possible without the efforts of the Standards Resource Commission and CFP Board's Professional Practice team. Their contributions helped us meet our primary goal: provide an update to content relevant to CFP® professionals.

Our CE Sponsor Ethics CE Instructors are critical in creating a more engaging experience for our CFP® professionals.

CFP Board has developed this program content, allowing Instructors to concentrate on delivering high-quality instruction that promotes learner engagement and enhances the participant experience.

## PROGRAM DESCRIPTION

To ensure consistency and alleviate confusion for CFP® professionals, CE Sponsors are asked to use a standardized program description and related information in their course catalogs and when referencing or describing the program online, or in printed material.

**Formal Program Title:** Ethics CE: CFP Board's Revised *Code and Standards*

**Program Sub-title:** CE Sponsor Title

**Program Description:** This program fulfills the requirement for CFP Board approved Ethics CE. This program is designed to educate CFP® professionals on CFP Board's new *Code of Ethics and Standards of Conduct*, which is effective July 1, 2024.

**Add:** CFP Program ID; Level of Complexity: Intermediate; CE Hours: 2

## PROGRAM LEARNING OBJECTIVES

Success begins with a clear understanding of the program's learning objectives and outcomes.

**The goal of this program is to position the application of *CFP Board's Code of Ethics and Standards of Conduct* as the foundation for ethical financial planning.**

By the end of this program, the participant should be able to:

**LO 1:** Recognize when a CFP® professional is providing Financial Advice.

**LO 2:** Apply the Fiduciary Duty.

**LO 3:** Describe the Financial Planning process.

**LO 4:** Determine what information must be provided to the client and when to document the exchange of information.

**LO 5:** Identify duties when using or referring other service providers or technologies.

**LO 6:** Describe the CFP Board enforcement process.

## PRESENTATION GUIDELINES

CFP Board has provided a slide deck of content designed to move progressively through the learning objectives, while at the same time providing a comprehensive orientation to the new *Code and Standards*. Using the *Presentation Ready* slide deck, program developers have the flexibility to develop a co-branded program in a learning management system of their choice and to their presentation style. The presentation-ready “template” identifies placeholders for a program subtitle and date, instructor introduction, activities and closing.

### Co-Branding

The slide deck may be co-branded. CFP Board requires the yellow ribbon with the CFP Board Logo to be included on each screen of the program:

### Layout and Design

The slide deck is organized to ensure a consistency in format and that all required components of the program are covered.

This deck includes:

- Core presentation slides per learning objective
- Required exercises
- Instructor notes at the bottom of each slide

### Instructor Notes

Make sure to review the instructor notes included with each slide, recommended for program presentation. These notes provide context and examples related to the displayed content. This information can serve as a script, or a guide, and the notes will help the instructor reinforce new definitions and concepts.

**NOTE:** Please record all your polling results so they can be reviewed by CFP Board.

## TIMED AGENDA

The Self-study Ethics program presentation is timed to the **required 120 minutes**. **Please submit a timed agenda with your program submission that outlines assigned time addressing the following:**

- Opening or Introduction
- Each learning objective
- Closing

### Guidelines for Creating Supplemental Program Activities

Instructors can also develop other supplemental activities, but these activities must:

1. Be pre-approved by CFP Board before their use;
2. Clearly relate to at least one of the five learning objectives.

To request pre-approval, instructors should send a complete narrative of the activity along with discussion points and specific reference of applicability within the new *Code and Standards* to [CESponsor@cfpboard.org](mailto:CESponsor@cfpboard.org). Please allow 7-10 business days for the review. CFP Board will notify the instructor in writing with a final determination.

## ASSESSMENT REQUIREMENTS

Self-study (online) Ethics requires a 12-question assessment.

In addition, CE Sponsors are required to follow these rules when administering the assessment:

1. Only assessments, in the form of case studies and questions, from this document will be used; supplemental questions can only be added under these terms:
  - a. The questions tie specifically to a learning objective and competency;
  - b. The questions submitted to CFP Board, in advance, for verification;
  - c. The CE Sponsor understands that CFP Board will add submitted and verified questions to the question bank.
  - d. CFP Board will update and share the question bank with self-study (online) sponsors on a periodic basis.
  - e. All supplemental questions will need CFP Board approval prior to being added to the question bank and used in the assessment.
2. Assessments will be randomized for each learning objective module;
3. Two assessment questions in the form of case studies and/or questions, will be offered and completed for each learning objective;
4. All assessment questions will be offered at the end of each learning objective module;
5. A score of 70% or higher is considered passing;
6. After three (3) consecutive unsuccessful attempts, the participant will be required to retake the program and/or there will be a pre-determined waiting period;
7. When the assessment has been successfully completed, a summary of the correct assessment response for each question will be viewable; and
8. Before the program is considered complete and access is given to the Certificate of Completion, a program evaluation must be completed.

## REQUIREMENTS: SELF-STUDY (ONLINE) DELIVERY

To be eligible, the self-study format must maintain a level of participant involvement throughout the presentation. Here is a summary of the additional steps required for this format:

- **Delivery Method:** Learning Management System recommended
- **Core Presentation:** Content from the *Presentation Ready* slide deck and the approved optional polling questions. The program content can be co-branded.
- **Forced Progression:** Participant must review all required content and complete all required activities before moving to the next module/learning objective.
- **Activities:** Use of required exercises within the core presentation
- **Final Assessment:**
  - The program content per learning objective module is complete before the attendee has access to the assessment.
  - Assessments will total 12 for the program and distributed as per learning objective.
  - A passing score is 70% or higher.
  - Questions are randomized and pulled from the Self-study Assessment question test bank.
  - Correct response feedback is displayed only when the assessment is passed.
  - Assessment attempts are limited to 3x before participant is required to re-review the content.
- **Program Evaluation & Certificate of Completion:**
  - CE Sponsor can decide on the best way to distribute and collect program feedback. However, at the conclusion of the program a formal evaluation process is required.
  - Completion of the program evaluation is required before the Certificate of Completion is distributed and attendance is reported.
- **Program Status Active:** Upon a successful program review by CFP Board staff, the program status will convert to *Active*.

## PROGRAM EVALUATIONS

### Participant Feedback

The CFP Board Ethics CE curriculum is designed to ensure our CFP® professionals receive value for their time and perceive the content delivered as meaningful to their daily experiences. The participant evaluation process is a critical component to ensuring we meet this goal.

CFP Board has multiple expectations of its CE Sponsors in terms of content delivery:

1. Participants passing the assessment will be required to complete a program evaluation before they have access to the certificate of completion.
  - CE Sponsors will achieve a minimum 95% evaluation return rate based on reported attendance. CE Sponsors who continually fall below the 95% return rate could be in jeopardy of losing the privilege of offering CFP Board Ethics. Evaluations may be completed:
    - a. Manually (see printable version below)
    - b. Online via CFP Board's Alchemer account at:  
<https://survey.alchemer.com/s3/7820118/CFP-Board-CE-Ethics-Course-Taker-Survey>
    - c. Online in a format other than Alchemer, with a questionnaire that includes all the questions on the printable version below.
2. The evaluation will include the required questions listed below, and use a 5-point scoring scale.
3. Evaluation results will be requested – effective July 1, 2024.
  - CFP Board will request an evaluation summary every quarter. (Jan-Mar; April-June; July-Sept; Oct-Dec) CE Sponsors are expected to provide CFP Board a PDF file of manually completed evaluations within 14 working days of the request.
4. CFP Board will use the evaluation results to measure program acceptance.
  - a. A program will be considered successful if it achieves an overall rating of 3.5 or higher.
  - b. A program receiving an overall rating of 3.0 or lower may require re-evaluation.
